The Visitation committee consisting of Ray Tillwick and John Dickinson recently visited two long time voyeurs at their Nursing Homes. Past Chef de Gare Don Huelle is at the Heritage Pointe located at 168th and Blondo. A visit was also made at Life Care Center of Elkhorn to visit with Howard Penke. Both voyeurs enjoyed the visits and were interested in talking about the 40&8

Two Voyageurs were honored on July 18th at the Offutt Base Lake. John Dickinson and Monsignor Richard Wolbach received plaques from the Nebraska Chamorro Community. Juan Jesus of Bellevue who organizes the annual event stated "We are forever grateful for your contributions in World War II's Pacific Campaigns." This event is held on or near the July 21, 1944 date of the liberation of the island of Guam. Marine veteran Rich Lang also was presented a plaque. Thank you for all the cards, calls and visits while I was laid up in the hospital and rehab center. I spent four days at Methodist Hospital and ten days at Brookstone Meadows. The care was great at both facilities.

Milo Karasek is at home recouping from back surgery, we wish him well.
